

## DPSRU Signs MoU with Primus Super Speciality Hospital for Academic and Clinical Collaboration on 15<sup>th</sup> September 2025

Delhi Pharmaceutical Sciences and Research University (DPSRU), New Delhi, is pleased to announce the signing of a Memorandum of Understanding (MoU) with Primus Super Speciality Hospital. The agreement marks a significant step toward strengthening cooperation in academics, research, clinical training, and internship opportunities for students.

The MoU was formally signed by **Dr. R. C. Khatri, Registrar, DPSRU**, and **Dr. Sunil Saxena, Medical Superintendent, Primus Super Speciality Hospital**, the esteemed administrative heads from both institutions.

**Dr. Sunil Saxena, Medical Superintendent, Primus Super Speciality Hospital**, the esteemed administrative heads from both institutions. This partnership reflects a shared vision of Hon'ble Vice Chancellor Prof. Dr. Ravichandiran V from DPSRU and **Dr. Sunil Saxena, Medical Superintendent, Primus Super Speciality Hospital**, to foster excellence in healthcare education and to create meaningful opportunities for knowledge exchange between academia and clinical practice. The MoU was signed in the presence of **Mr. J.P.Dubey (Head HR, PSSH)**, **Dr. Nishant Gemini (Senior Physiotherapist and**

**Head PT Dept) from Primus Super Speciality Hospital** and **Prof. Dr. Richa H. Rai, Dr. Sheetal Kalra from School of Physiotherapy DPSRU, and Dr. Puneeta Ajmera from School of Allied Health Sciences and Management, DPSRU**, who witnessed the occasion as esteemed representatives of their respective institutions

Through this collaboration, students of DPSRU will benefit from structured exposure to advanced clinical environments, specialized training, and supervised internships at Primus Hospital. The initiative is expected to enhance professional competencies, provide hands-on experience in multidisciplinary healthcare, and support applied research in emerging areas of medical and pharmaceutical sciences.

The association will also promote joint academic and research projects, exchange of expertise, and the development of innovative approaches to patient care and healthcare delivery for various programs, including Physiotherapy (BPT/MPT/Ph.D.), Allied Health Sciences (DMLT, BMLT, B.Sc. (Hons.) Biomedical Science, MPH, MBA-HHM, MBA-PM), and Pharmacy.

DPSRU is delighted to join hands with Primus Super Speciality Hospital and looks forward to a fruitful partnership that will enrich student learning, contribute to professional growth, and strengthen the integration of academics with real-world clinical practice.

This collaboration stands as a testimony to DPSRU and PSSH's commitment to nurturing skilled healthcare professionals and advancing quality research for the benefit of society.
