“ A Message from Vice Chancellor's Desk

Delhi Pharmaceutical Sciences and Research University (DPSRU), the first pharmacy university in India, is now getting transformed from latent phase to active phase and internationalization via having collaboration with the first Pharmacy University of the World China Pharmaceutical University, Nanjing, China; Hunan University of Chinese medicine, Changsha, China and Stavropol State Medical University, Russia

The University is organizing the International Conference of Cardiovascular Sciences 2020 (ICCS-2020) during February 21-23, 2020.

This conference will incorporate the Annual Conference of International Academy of Cardiovascular Sciences (IACS)-India Section. I am happy to note that the university is going to release its first bimonthly news letter during the inauguration of ICCS-2020

The university is cognizant with the vision 2030 document and will formulate long term goals. I complement the editors Dr. Keerti Jain and her team to initiate to publish the first News letter of the University.

Prof. Ramesh K Goyal
Vice Chancellor, DPSRU

*"A Mentor is someone who
allows you to see the hope
inside yourself"*

- Oprah Winfrey

“ Our Vision 2030

To be the ultimate destination for education, training and research in pharmaceutical sciences and allied areas and thereby cater the health need of the people at large.

To develop core competency in pharmaceutical sector and contribute in building leaders, administrators and personnel who can take up responsibilities as pharmaceutical science professionals appropriate for community, institutions and industries on health and management related fields.

The meet for Vision 2030 was conducted on 15th December, 2019 and February, 2020 and the objectives were curated with a discussion among the faculty and staff who have joined hand to work for this collective aim of the university in coming decade.

- To have comprehensive, multidisciplinary institute for learning and research with holistic approach towards pharmaceutical sciences

- To provide infrastructure and research facilities for the dissemination of the advanced knowledge to the students in various branches pharmaceutical sciences through innovative teaching-learning processes with inter-disciplinary approach such that they propagate their wisdom to acquire all kinds of knowledge and generate new ideas
- To educate and train manpower for the development of the country and establish linkages with industries for the promotion of science and technology through several health related courses in MLT, GNM, and X-Ray Technology
- To cultivate the spirit of embracing internationalism/ diversity and competitiveness/ competition amongst students such that novel and creative ideas are harnessed, leading to unique discoveries and inventions, for the advantage of society at large.

"Vision is a art of seeing which is invisible to others"

- Jonathan Swift

“ Welcoming the new beginnings

Rotaract Club of DPSRU

The Rotaract Initiative came to DPSRU on 2nd August 2019, when Rotarians of Rotary Club Delhi Central came to our University and over 200 students of different courses got to interact with them. Interested students began enrolling soon afterwards in huge numbers as the chartering process for our club started in the same month.

Ankit Monga became the Charter President of Rotaract Club of DPSRU on 11th August 2019. Our Club Charter arrived on 22nd October 2019. During this time, we as a charter club got a head start on functioning as a club, including ideating, brainstorming, planning and executing many activities and projects within and outside DPSRU.

We have 100 university students as active rotaractors of our club, and we have continued with greater spirit towards our Vision and Mission and conducted activities for the betterment of our society. We hope to continue to take action and #BeTheChange for our community and our people, while nurturing our fellow rotaractors to become future leaders.

"Lecture is a transfer of the notes of the lecturer to the notes of the student without passing through either."

- Eric Mazur

Cultural Societies of DPSRU

Raag - The Music Society

Plato has said, "Music gives soul to the universe, wings to the mind, flight to imagination and life to everything". The music society of Delhi Pharmaceutical Sciences and Research University "Raag" is the most vivacious and lively cultural society. The society encourages the students to participate in variety of styles of music from Classical to Western genres. Currently being headed by Ms. Ankita Gaur (B.Pharm 3rd Year) as President and Mr. Anshul Daksh (D.Pharm 2nd Year) as Vice President, Raag brought glories to university by winning not one, not two but three events at Health Mela 2019 in the Academic Year 2019-20. First position in the Instrumental Fusion Melodies on the theme "Music for Health" and Second Position in two events; namely Rock Band and Group Singing. Raag is always ahead when it comes to giving a musical touch to all the events happening inside the university campus and the performances are thoroughly enjoyed and appreciated by the faculty, staff and students.

Malang - The Dance Society

Malang in tenure of 2019-2020 participated and achieved bright brooches. The president Poornima Maurya is student of 2nd year pursuing BPT and

the Vice President Manpreet Kaur is student of 2nd year pursuing BPT, constantly motivating the very talented Malangians. The hard work and constant efforts of Malangians awarded them with 1st position in Health Mela 2019. They never fail to perform and give best performances in various college events like Teacher's day, Fresher's party and many more. They performed at the very first installation ceremony of Rotaract club of DPSRU and their performance is admired by all the Rotarians. They performed at annual day of DPSRU. The malangians aim to represent the charm of DPSRU at national events. They want to create an impact on society by performing on various theme and conveying social messages through beautiful dance performances.

Verve - The Literary Society

Verve is currently being led by Ms. Ankita Gaur (B.Pharm 3rd Year, DPSRU) as President and Mr. Ankit Monga (B.Pharm 2nd Year, DPSRU) as Vice President and has the primary objective of bringing all the passionate students from varied courses together to discuss, practice and to improve themselves in the skill of public speaking as well as their comprehensive personality Development. Verve is proud to share that now we have a team of around 50 students.

Cultural Societies of DPSRU

All the students are real doers and have brought laurels to our university this academic year. Our members work hard to bind audience to the stage in every event happening in the university campus also, students have participated in various competitions such as Health Mela 2019, Various Inter collegiate events held at Delhi university and have also performed in slam poetry and open mic sessions too.

Paridrishya - The Photography Society

Recently a photography workshop was also conducted which was helmed by Mr Virendra Singh. The team has also underscored an online photography Competition. Paridrishya has unabatedly covered and shot almost all the official and unofficial events of college and has made a photo album of the same. The society's president, Gurneet Kaur khalsa (B.pharm 3rd year) believes in encapsulating both short term as well as long term goals for the growth and vision of the consortium. The team is eagerly anticipating to direct a photowalk and an inter college photography competition. They are also looking forward for a successful collaboration with panacea 2020 (the annual cultural fest hosted by IPGASF). Paridrishya hopes to maximize their participation as well as performance at all spheres in the near future.

Fitoor - The Dramatics Society

Fitoor began in 2015 when our founder members realized that even in an all-academic college like ours, there were fellow students looking to hone their passions beyond the strict standards of pharmacy. So Fitoor was founded as a collaboration of all such like-minded individuals who wanted to create something that lasted beyond their years in the college, giving it all that they had to offer, be it in terms of writing, singing, acting or just plain old love for the craft. Thus, in line with our traditions, Fitoor hopes to bring out the enthusiasm and channelize this ardour towards creating awareness and spreading a message to society.

Fitoor also believes that the true purpose of nukkad is to be able to spread our message to the public. Therefore, combining our competitive and public performances, we manage to do 30+ showcases of our production in an academic year.

This year under the leadership of President Mr. Praful Tiwari (B.Pharm 3rd Year, DIPSAR) and Vice President Mr. Satyam Bhardwaj (B.Pharm 3rd Year, DPSRU) fitoor had performed at K.R. Mangalam, Aryabhata college, IBHAAS, IIT Delhi, Motilal Nehru College, Sri venkateswara college, Jesus and Mary college and Sri aurobindo college.

Aakriti - The Art Society

The newly established art society Aakriti is a bunch of art enthusiast from our university who have come together to fill colours in our day to day university events. Aakriti has around 25 students and is currently being lead by Ms. Ankeeta Kumari Pandey (B.Pharm 3rd Year, DIPSAR).

AICTE Chattra Vishwakarma Awards 2019

The AICTE Vishwakarma Awards 2019 was organised by All India Council for Technical Education (AICTE), Ministry of Human Resource Development, Govt. of India for promoting innovative spirit and scientific temperament for holistic development of society through the stake holders of its approved institutes.

We are pleased to share that a team of four students “Team Pharmareps”, mentored by Dr. J. Swaminathan and curated by Ms. Ankita Gaur (B.Pharm 3rd Year, DPSRU) as the team leader comprising of Mr. Aman Dahiya (M. Pharm Industrial Pharmacy 1st Year, DPSRU), Ms. Aayushi Kuchroo (B.Pharm 3rd Year, DIPSAR) and Mr. Prabhjeet Singh (B.Pharm 2nd Year DIPSAR) participated at AICTE Chhatra Vishwakarma Awards (CVA) 2019 with their innovative idea “Swayam Kala: A handicraft conduit between the rural and urban population” of increasing livelihood in rural areas through intervention in Technology/management practices. Their idea qualified two rounds out of 5000+ applications from all over India and reached till the AICTE Regional Level convention held on 10th January, 2020 at Jagan Institute of Management Studies, Sector 5, Rohini and proudly represented DPSRU as one of the top institutional teams of AICTE North West Region which includes four states namely Punjab, Haryana, Rajasthan and Delhi. Team Pharmareps was the only team from pharmacy background to present their project in the regional convention and we cannot be more honoured than this.

Forth Coming Events

Sports Meet 2020

DPSR University is going to conduct its Annual Sports meet towards the end of February 2020 where every year students take part with full of zeal and enthusiasm in variety of athletics and other sports events.

Panacea: The First Pharma Fest

DPSR University is collaborating with Indian Pharmacy Graduates' Association (IPGA) for India's First Pharma Fest "Panacea". It is a 2-Day Fest which is going to held in our campus and has immense number of academic, cultural and gaming events.
