FROM THE DESK OF VICE-CHANCELLOR

Dear Aspiring Students,

It is with great pride and enthusiasm that I extend a warm invitation to each one of you to embark on an enriching academic journey with us at the Delhi Pharmaceutical Sciences and Research University (DPSRU) — a trailblazing institution committed to shaping the future of healthcare and pharmaceutical education.

Established in 2015, DPSRU is the first and only Pharmacy University in India, and the third of its kind in the world, exclusively dedicated to pharmaceutical and allied health sciences. Over the past decade, we have emerged as a national leader in education, research, innovation, and incubation, continuously raising the bar through visionary leadership and the unwavering dedication of our faculty, staff and students.

Our recent achievements speak volumes about our commitment to excellence. An 'A' grade accreditation by NAAC in our first cycle and 16th rank in Pharmacy in the NIRF 2024 rankings reflect the academic rigor, research output, and holistic development that define DPSRU. We are especially proud that six of our faculty members are ranked among the top 2% of scientists globally by Stanford University — a testament to the scholarly environment and research culture nurtured on our campus.

Guided by the principles of the National Education Policy (NEP) 2020, DPSRU embraces interdisciplinary learning, research-driven education and innovation-led teaching methodologies. Our curriculum is aligned with the nation's strategic vision, empowering students to thrive in a dynamic global healthcare landscape.

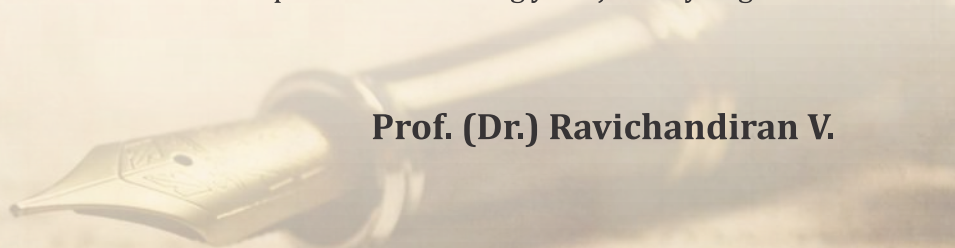

With a vibrant student community of around 2,600 learners, DPSRU offers a diverse portfolio of programs, including 8 Doctoral programs, 24 Postgraduate programs, 7 Undergraduate degrees and 4 Diploma courses. These programs span across traditional and emerging domains — from Pharmacy, Physiotherapy, Public Health and Hospital Management to Laboratory Technology, Artificial Intelligence, Sports Science and Ayurveda — reinforcing our holistic and forward-looking approach to health sciences education.

We have established state-of-the-art infrastructure and fostered impactful associations, collaborations and sponsorships with leading national agencies such as IPC, ICSSR, DBT, DST, CSIR, AYUSH, NMPB, CCRUM and DSIR. These partnerships have enriched our research ecosystem and provided students with exceptional opportunities to contribute to real-world scientific advancements. At the heart of our university lies a passion for innovation and entrepreneurship. The DPSRU Innovation & Incubation Foundation (DIIF) has created a thriving platform for student startups and research ventures, earning the prestigious National Start-up Award. Our students continue to shine on national platforms — with 32 qualifying competitive exams like GPAT and GATE in 2024, and many receiving awards in scientific, cultural and sporting arenas.

I wholeheartedly encourage you to become part of this thriving academic community. Join us at DPSRU and experience a world-class education that not only prepares you for a successful career but also empowers you to make meaningful contributions to society.

A bright and promising future awaits you at DPSRU. My team of dedicated faculty, staff, and students eagerly look forward to welcoming you to our vibrant campus and witnessing your journey of growth and success.

Prof. (Dr.) Ravichandiran V.

FROM THE DESK OF REGISTRAR

Dear Aspiring Students,
Welcome to Delhi Pharmaceutical Sciences and Research University (DPSRU) — a premier institution where education meets innovation, and academic excellence is seamlessly integrated with societal commitment.

Beyond our achievements in academics and research, we take immense pride in our active engagement with society. Under the national banners of Ek Bharat Shreshtha Bharat, Unnat Bharat Abhiyan, and the National Service Scheme (NSS), DPSRU remains steadfast in promoting societal well-being through various outreach and awareness initiatives. We have successfully conducted impactful programs such as Drug Addiction Awareness Campaigns, community health camps, and Fit India Week, reinforcing our deep-rooted commitment to public health and community

development.

Our vision is aligned with the national aspiration of Viksit Bharat 2047, which envisions India as a developed nation by its centenary of independence. DPSRU is proud to contribute to this transformative journey by nurturing skilled professionals, advancing path-breaking research, and driving technological innovations in the domains of healthcare and pharmaceutical sciences.

We are equally devoted to the vision of Atmanirbhar Bharat, fostering a culture of self-reliance, entrepreneurship, and indigenous innovation. Our thriving research ecosystem and dynamic incubation initiatives actively support the creation of world-class healthcare solutions within India, reducing dependency on imports and paving the way for a stronger, self-sufficient nation. Through these efforts, our students and faculty are empowered to be changemakers and thought leaders in pharmaceutical sciences.
